Important Notice to All Members:

If you access the clubhouse with your key card and are confronted with **the alarm going off while you are inside**, please follow this procedure: Re-swipe your card at either entrance. Then call the security company and identify yourself and have them cancel the alarm. The phone number is posted at both entrances. If you fail to do this, the Club can be billed up to \$150. Your cooperation is greatly appreciated.

COMMODORE'S REPORT

Mike Thomas

Our 26th annual Vernon Yacht Club Boat Show is now a recent memory and those of us who were there as staff, volunteers and guests were witnesses to the show's resounding success; in spite of the challenges presented by Mother Nature. This is the second year that Boat Show Chair, Rob Mathews has done a magnificent job of organizing the show and encouraging the involvement of the many previous as well as new exhibitors. We thank our staff and many volunteers who contributed their time and efforts

to the Show and hopefully we all can now relax and focus on enjoying time on our boats.

Many thanks to member Norm Ennes for the fabulous job he performed with the improvements to our bar. Many of us know that renovations are a challenge and Norm dramatically improved the facility and yet he managed to blend the new with the old with a pleasing and functional result. Excellent effort Norm. Our Commodore's Ball and Sunday Sail Past is just around the corner and is scheduled for the weekend of June 21 and 22 which, appropriately, is also the weekend of the June Summer Solstice. We have hired a live band for the Saturday evening dinner and dance. On Sunday, after the Flag raising, generously conducted by members of the Navy League, pipers will lead the skippers and crews from the sun deck, down to the

docks for participation in the Sail Past. By the way, we are encouraged to decorate our boats with flags and some thought is being given to an award for the boat with the best decorations. As most of us know, the Commodore's Ball is a traditional annual event which is celebrated by yacht clubs everywhere in the world. At our Club, we like to think of this event as an opportunity to bring our members together, have some fun and provide us with the opportunity to introduce the formal beginning of our boating season. A limited number of tickets will be made available soon and you are encouraged to get yours in timely fashion to avoid disappointment.

That's all for now and we look forward to seeing you at the Club.

*Best regards,
Mike Thomas, Commodore.*

VICE COMMODORE'S REPORT

Ron Heuman

As members of the VYC we are extremely fortunate to have excellent facilities for boating and social events. Our marina is full so we are meeting our minimum budget slip footage. In the past two years our Clubhouse has seen many upgrades, and our social events are well attended. Members respond to volunteer requests for major events such as: clean-up, boat show, security team, crane lift, pig roast, rib-off, etc. We have increased our employees for maintenance, cleaning, kitchen, bar and office.

Our financial position is healthy. Discussion at the Long Term Planning Meeting was robust. In general, our membership is happy and content!

Yet recently, I had an interesting philosophical discussion with a fellow regular member regarding membership participation in social activities and marina/boating activities. In my 16 years as a VYC member this has been an ongoing dialogue. Initially, the more social members strove for greater use of the lounge, so we implemented the Associate and Affiliate Member categories (both of which I authored the criteria) to stimulate more social activity in the lounge. These categories have been a huge success. We also implemented the VYC bucks program.

Today, our lounge capacity is routinely maximized. We expanded the marina and improved our infrastructure. Again, hugely successful! All our slips are occupied and there is a waiting list. Somehow, however, there is an still element of discontent. How so?

Well, it seems that the more social members would like greater participation in the Clubhouse. Often times I hear that members in the marina never use their boats. In my opinion, so what? People join the VYC for various reasons: boating being the prime catalyst; social activities to mingle with other members; and a mixture of the two. How a member uses the VYC amenities should be their choice. A member in "good standing" is one who remits dues/fees on time, acts responsibly while at the Club, abides by the VYC Constitution and By-Laws, and attends the AGM.

In closing, it behooves the Executive and the various committees to promote and encourage membership participation in all VYC events. I believe we are doing a good job!

Enough said, let's go boating and socializing and attend the AGM!!

Ron Heuman, Vice Commodore

Summer is back and our VYC Security Team is busy keeping watch during the evenings. We have had no reported security problems.

Security Team Report

By Roger Price

With everyone putting your boats back in I would like to remind all to keep watch when you are around the Club. Get to know your neighbors in the marina and be aware of others coming and going.

Answer on page 27

BOAT SHOW CHAIR REPORT

Rob Mathews

Folks, the 2014 Boat Show is in the books!

This year was a great success in spite of the weather, and I have every last one of you to thank for this. Support from all across the Club and even some non-members was evident.

I will have a full account of the attendance, funds and food raised for the Salvation Army and all the other great achievements for the next Tiller Topics.

Thank you all for your hard work and stepping up when asked. You are all a credit to the Club.

Rob Mathews
VYC Boat Show Chair.

"Appreciation is a wonderful thing; it makes what is excellent in others belong to us as well."

Francois-Marie Arouet de Voltaire
1694-1778, Writer and Philosopher

Avalon Godfrey PARTI KRAFT® MERCURY VOLVO PENTA ShoreLandr® E-LOADER

Sea-Dog Boat Sales and Service, Sicamous, BC is proud to have been given the opportunity to supply the Okanagan Quality Life Society with a custom ordered Avalon Luxury Pontoon boat powered by Mercury Marine. This wheelchair accessible pontoon boat will be equipped with extra wide doors, fold up seats, auxiliary motor with a fully enclosed top.

Sea-Dog Boat Sales has built a relationship with the Vernon Yacht Club over the past years of having boats on display in the boat show. And through the boat shows have had the wonderful opportunity to meet many great people including the folks involved in the Okanagan Quality of Life Society.

We have worked closely with the Okanagan Quality Life Society in understanding the needs of the society in the development of Heaven Can Wait II. Such a great cause in helping the community and Okanagan valley residents in improving the quality of life for residents in long term care facilities and disabled community members. We have also called on the expertise of Tween Lakes Upholstery, Fuzion Fabrications and Sea-Dog Boat Sales licensed Mercury technician to customize the boat.

It has been our pleasure to work with the Okanagan Quality Life Society and the Vernon Yacht Club. Boating is a great way of life that every person should be able to enjoy.

To the Vernon Yacht Club Members...

The recent death of Rob Ladan engulfed our family with grief. And yet, it was through this devastating loss that we have come to understand the true meaning of community and friendship through the Vernon Yacht Club.

To say thank you falls short of what you have done for our families. We are overwhelmed with the tribute paid to Rob; our brother, son, dad, granddad, uncle and husband.

We knew that holding the Celebration of Life at the Yacht Club was the place that Rob would have chosen, but so many individuals made it even more meaningful than we could

have imagined. Rob absolutely loved sailing and the camaraderie that he enjoyed at the Club. Thank you to Commodore Mike Thomas and members of the Executive for your kindness, participation and support and for taking care of details that we would have overlooked. Jay and Corrine, you were both so helpful and attentive in helping us plan the food and scheduling and taking care of other arrangements for the day. Thank you to Kenny for ensuring the sound system worked. To those who helped with parking, we did not anticipate so many attendees so our thanks to you for this important task. The sign out front and the flag at half-mast touched us all. To our friends who got up and spoke of Rob, your sensitive remarks and mention of Rob's love of life were heart-warming and deeply moved us. To everyone who was there, your presence meant the world to us.

We have continued to be comforted by your thoughtfulness. Commodore Mike, the copy of the photo of Rob as Commodore that hangs in the Club will be cherished as will the water colour painting of Rob's boat, Airborne 11, done by Marnie Williamson, Office Manager. The honour bestowed upon Rob by the sailing fleet at the first race of the season was touching and fitting. Rob loved racing and tulips and all of you. Reading the guest book, cards and letters and reflecting on the day, we realize how many of you have reached out to support us as we struggle to rebuild our lives without Rob who was always our shining light. We want to say thank you for April 5 and the many acts of kindness that have come our way.

We are profoundly grateful to all of you. Thank you for keeping us in your thoughts and prayers.

With love from the Ladan, Klingel and Gutziet families.

A Message from Your Office Manager Marnie...

- ⇒ **Office is open Monday & Thursday 8:30 – 2:30.**
- ⇒ Have you moved or changed your email in the past 6 months? Make sure the office has your new information.
Email office@vernonyachtclub.com
- ⇒ **Please remember to forward a copy of your boat insurance renewal to the VYC office.**
- ⇒
- ⇒ Membership Cards now available. Pick them up during office hours or at the GangPlank.

Have you been receiving the weekly email notices of Gang Plank news? If not, it could mean I have an incorrect address, so please email the office and ask.

Thanks, Marnie

Important Notice to All Members:

If you access the clubhouse with your key card and are confronted with **the alarm going off while you are inside**, please follow this procedure: Re-swipe your card at either entrance. Then call the security company and identify yourself and have them cancel the alarm. The phone number is posted at both entrances. If you fail to do this, the Club can be billed up to \$150. Your cooperation is greatly appreciated.

Standards for securing boats at the Vernon Yacht Club Moorage Basin

The mooring standards as presented below are designed to prevent damage to your boat, damage to the VYC docks, and other boats.

You are asked to use appropriately sized mooring lines with snubbers of rubber or spring steel on lines of less than 10 feet in length. A properly secured boat will be held by a minimum of four lines. Attach lines correctly to cleats and keep snug so lines do not droop into the water. Use fenders to prevent contact of your boat with the dock or with other boats.

Terminology

Bow - the forward part of a boat.

Bow line - a docking line leading from the bow.

Chafing Gear - Tubing or leather wrapping used to protect a line from chafing on a rough surface.

Cleat - the metal fixture on the dock (or on your boat) used to attach lines to securely moor your boat.

Fender - A cushion, placed between boats, or between a boat and a dock, to prevent damage.

Line - the nautical term for ropes used in sailing and in securing your boat to a dock

Pile - A wood, metal or concrete pole driven into the ground.

Spring line - A line used in mooring to prevent the boat from moving forward or astern while made fast to a dock.

Snubber (rubber or spring steel) - a device attached to a mooring line to reduce shock to the boat and the dock. **Stern** - the after or back part of a boat.

Stern line - a docking line leading from the stern.

Lines - can generally be categorized as follows:

Laid Nylon - a twisted line of nylon fibers may be used as a mooring line.

Single Braided or Double Braided Nylon (a braided core covered with a braided jacket) - are the best lines for moorage as they have good abrasion resistance and resistance to rot.

Polypropylene - (the common yellow rope) must **not** be used as a mooring line.

Size of Line recommended for Size of Boat

Boats to 20 feet	3/8 inch diameter line
Boats 20 to 35 feet	1/2 inch diameter line
Boats 35 to 45 feet	5/8 inch diameter line

Attaching a line to a Cleat

Bow In with Spring Lines

Stern In with Spring Lines

Square Tie No Spring Lines

The Makings of a Great Boat Show!

ALL PRO DJ SERVICE
1800.462.9958

The advertisement features a dark blue background with glowing blue light trails and particle effects. In the top left, there is a circular logo with a stylized 'A' and 'P' and the word 'DJ' below it. In the top right, there is a circular logo with the letters 'APD' in a bold, blue, stylized font. The central text 'ALL PRO DJ SERVICE' and the phone number '1800.462.9958' are prominently displayed in a blue, metallic-looking font. Below the text, there are images of DJ equipment, including two turntables with glowing blue lights and a central mixer.

UMI TRAILER RENTALS
FROM WORK TIME TO PLAY TIME
1800.462.9958

The advertisement shows a collection of various trailers and equipment. On the left, there is a white trailer with its rear door open, revealing a wooden interior. Next to it is a black trailer with a ramp extended. In the center is a large white enclosed trailer. To the right is a white utility trailer with a ramp. Further right is a white horse trailer with a ramp. On the far right is a white Denali horse trailer. The text 'UMI TRAILER RENTALS' is in the top left, 'FROM WORK TIME TO PLAY TIME' is in the center, and the phone number '1800.462.9958' is at the bottom left.

PRISM
PURIFIED WATER
1800.462.9958

The advertisement features a large, stylized blue letter 'P' on the left, with water splashing around it. The word 'PRISM' is written in a large, blue, serif font across the middle. A small green globe with a plant growing on it is positioned above the letter 'I'. Below the word 'PRISM', there is a splash of water with a small blue circle in the center. The text 'PURIFIED WATER' is at the bottom, and the phone number '1800.462.9958' is at the bottom right.

STAFF CAPTAIN'S REPORT

Karol King

VYC held our third successful Ladies Night on May 15. We had 45+ ladies in attendance plus 6 local vendors and services in attendance plus Brandon Schmor playing and singing jazz.

The six vendors we featured this time around were:

- ⇒ Furmanek Jewelers came with watches and silver jewelry;
- ⇒ Platinum Concepts came with shoes and featured henna designs and other esthetic services;
- ⇒ Italian Kitchen came with food treats and cook books;
- ⇒ Jess from Hat Fitness was there to encourage us all to work off the treats;
- ⇒ Simply baskets Home and Gift was there with fun home décor ideas; and
- ⇒ Rebecca Todd, a Registered Massage Therapist was there giving massages.

If you haven't attended one of these yet, please come to our next one on June 19. Ladies Night is a wonderful night out, it combines women, music, food and wine and shopping...can it get any better?

If you have any local businesses that would like to be featured at an upcoming Ladies Night, please have them reach out to Karol King (staff-captain@vernonyachtclub.com) or Debbra Butler (publicity@vernonyachtclub.com).

Boat Show 2014 May 3rd and 4th

The Boat Show came and so did a little rain, but we had good turn outs anyway. All 60+ volunteers came and others joined in to and got what needed to be done, done. The Friday dinner that week was remarkable with 141 dinners served. The Vendors who came to setup their displays stayed for dinner and we were packed to the rafters and down into the main floor too.

Big thanks to people that took on extra duties like MJ, Linda, Terry, Denise, David, Jill and Suzy (those two always seem to go together), Chris, Roger, Debra and of course Rob who was everywhere all the time.... There were simply too many to list individually here, but I did try to say thanks at the end of each person's shift. Some remarkable volunteers were the brothers who put in their paperwork to join the Club on Saturday and then came and helped cooking hamburgers for most of Sunday. Now that is showing Club spirit!

The Vernon Yacht Club is built on the pitch in and helping where needed premise, and this attitude really showed. I had several people come to me after working for hours in the cold and thank me for asking them and telling me how much fun they had.

Other Upcoming events:

June 19 – Ladies night

June 21 – Commodores Ball

June 22 – Sail Past

Go on, give it a try!

Rearrange the letters below to make a common 8 letter word: TOMCRUSE

Long Term Planning Committee

Long Term Planning Committee Meets VYC Members

On Monday April 28, 2014 the LTPC met in an open forum to discuss the 2014 VYC Long Term Plan. 28 interested members attended the meeting.

The meeting was opened by Commodore Mike Thomas, who stressed the importance of forward planning to manage our growth effectively. The LTPC then presented their planning activities to date and recorded members feedback to review ideas presented. Following is a short recap of presentations:

Clubhouse and Grounds: Tom McKenzie gave an overview of ideas he is working on, including: extend front deck; level, pave & landscape gravelled area; construct a maintenance shed; extend Club to West, enlarge kitchen, solarium; modernize point of sale; update camera system; construct boat racks for storage and dry-land moorage, install playground; install swimming raft. Ideas received included: move fire pit to end of gravel area for better ambiance; size of Clubhouse.

Marina and Moorage: Craig Williams gave an overview of Marina upgrades and breakwater options. Basically the membership has 2 options: upgrade breakwater to include additional slips; upgrade "C" dock with new main docks and fingers. Ideas brought forward: A combination of "C" Dock upgrade and Breakwater installation; change fingers on "C" dock using wood mains and new wood/aluminum fingers; extend breakwater to our water boundaries; drop mooring buoys within our water boundaries.

Membership: Ron Heuman explained the 5 current by-law membership categories. Promote and encourage all members to participate in Club activities; annually develop a new membership promotion plan; ensure all members are informed of annual renewal criteria: Other ideas: what are Associate Membership privileges; what is an optimum membership number;

Community Relations: Ron read out a list of local government, service clubs, boating associations, groups we should be interacting with. Other ideas: Disabled Sailing, Salvation Army, Kids Don't Float.

Security: Ron complimented the VYC Security Team headed by Roger Price, it has been extremely effective over the past 5 years. Members & Employees are encouraged to be vigilant; increased signage for property and marina.

The LTPC will now reassess the 5 plan concepts in sub-committee and consider member's feedback ideas. VYC members who were unable to attend the Open Forum are encouraged to contact LTPC members and submit ideas on the topics discussed.

LTPC timeline is to again hold an all VYC member Open Forum in July to present an updated plan and accept any further ideas before presenting to the Executive in August as a primary source for the 2014-2015 financial budget.

All VYC Members are encouraged to be pro-active in the future growth and development of their Club, and contribute to a viable integrated VYC Long Term Plan Concept....

Submission by Ron Heuman

West Kelowna (Shelter Bay Marina)

On another note, the recycle bin...

Conveniently, as you leave the Club after a long day on the water there are recycle bins inside the gatehouse for your returnable drink containers and a garbage bin for all else. The recycle bins are intended for your returnable drink containers only. So the cardboard box your 12 bud

cans came in or remnants from your lunch (ie: pizza boxes) or your little ones bum wrappers do not go in this bin. This garbage goes in the big blue garbage container just a few short steps past the gate in the parking lot. During the boating season with all the activity at the Club and on the water these bins fill quickly so please use them as they are intended.

In consideration to others please be sure you put only recyclable drink containers in the recycle bins and your garbage in the garbage bin.

Thank you for your cooperation:-)

BRAIN TEASER!

How many cubic feet of earth are removed to make a hole 4 feet wide, 7 feet long and 2 feet deep?

Gangplank Gossip

Jay and Corrine

The last of seven components to make the Bar more efficient and ergonomic was completed last week, thanks to Norm Enns. He did a splendid job on the back bar cabinets that are now connected to the walk in cooler. Norm went to the Enns of the earth to finish the work as we would only give him four days off for surgery. Apparently the lash wounds on his back are also healing well. Thanks again Norm, you have a few juice drinks coming your way. Now if only Corinne would stop kicking me in the shins to get the kitchen up to snuff...

Mother's Day was well attended with 190 guests assisted by Annie and Gerald Gustafson, Chuck O'Grady, Carol Brown and Sherry MacFarlane. We are still looking for more varied volunteers, especially on Friday night. With all of the new members, it might be a great way to buddy with a veteran to learn the ropes and connect with the membership.

Thank you to the many boat show Volys, it all went smoothly except for the weather...

Upcoming events in June start with the Sailing Regatta and of course the Commodore's Ball on Saturday June 21. Entertainment by The Creeks with tickets on sale shortly. Also keep in mind the next three long weekend Monday's, we will be putting on our Steak or Salmon (SoS) BBQ with the Gangplank open from 4 PM.

Happy Boating, Corinne and Jay
